# *Life* Imitates Art

BY STEFANIE LI

A mix of marbles comes together to form a strikingly graphic pattern in *Euclid*, Alison Rose's new line for Artistic Tile. Completely customizable, the mosaic can be reassembled in myriad ways with a variety of curved and striped tiles; [artistictile.com](http://artistictile.com). **Opposite:** In the bold wall relief *No Title (Polychrome Shoulder)* (2017), Ruby Sky Stiler reimagines classical antiquities and Cubist works by using everyday objects—often materials like foam core, plaster, and recycled scraps—to question authenticity and value; [rubyskystiler.com](http://rubyskystiler.com).
